

New SECURE SITE Listserv Offers Important Updates – Sign up now!

With the implementation of the “New” Secure Site over the summer, we have received user feedback requesting more communication updates regarding bugs, issues, added features, timelines, etc. for the Secure Site. In response to requests, we have created a separate listserv for Secure Site updates. This is not a replacement for other assessment listservs (MEAP, MME, etc) as it will only pertain to the Secure Site.

If you are interested in receiving these types of email updates, please go to <https://public.govdelivery.com/accounts/MIMDE/subscriber/new>, enter your email address and click the Submit button. The next screen will list all Topics available for Subscription in Michigan Department of Education (MDE). You can scroll down and find the “Secure Site Updates” under the Student Assessment heading. Select the check box next to the topic, “Secure Site Updates”, and click the Submit button at the bottom of the page. You can also select other MDE topics that you are interested in receiving email updates for at the same time.

If you have any questions regarding joining any of the Student Assessment listservs, please contact us at 877-560-8378 and press option 2 or email baa@michigan.gov.
